

TRAIL OUTRIDES IN THE VREDEFORT DOME EASY TO HECTIC – PICK YOUR LEVEL OF SKILL

Spend a few days exploring the wonderful off-road trails in the Dome Bergland and rolling grasslands in the Vaal River valley. Ride with or without a guide – rates on request.

Mountain Biking

RIDE THE HILLS AND VELD TRAILS **OUTRIDES IN THE DOME!**

The Vredefort Dome World Heritage Site and surroundings are ideal for mountain biking. Why else would it host the annual 110km CRATER CRUISE, one of the biggest MTB events in SA? There is also the monthly DIRTMAX race of 30 or 60km. We have developed numerous trails for all types of rider, from beginner to advanced. Come to Otters' Haunt for a trail briefing and sketch map. Make an appointment, park your car for the day, or stay over in our accommodation to tackle several different routes. There are gravel backroads, single track, jeep and quadbike tracks, and complete bundu with no tracks! Guiding is available, and lots of advice.

We do have a couple of hardy old warhorse mountain bikes for hire but strongly recommend you bring your own. See tips alongside.

TIPS FOR PREPARING YOUR BIKE

- Heavy duty tyres and tyre-liner are a good idea for stony and thorny tracks.
- Self-sealing latex inside tubes does help but bring a puncture repair kit.
- Use wax or silicon lubricants, not oil because sand and mud tend to clog.
- Water bottles or a camelpack are absolutely essential.

IT'S NOT JUST FOR THE TOUGH GUYS

We're happy to arrange trail rides for families and friends who lack experience but want to see nature from two wheels. On most trails, you can always turn around and go back when you've had enough.

ALONE OR GUIDED?

We do have GPS plots for some trails but generally the routes are very flexible. Be prepared for farm fences – trails are all on private land to which we have access. Our guides know the way and will adapt the route to your interests and level of fitness. Please arrange ahead!
